Radical Possibilities Mentoring Program
Youth Referral Information Sheet

Radical Possibilities creates intentional mentoring relationships in order to promote young people's personal empowerment, positive engagement, and overall ability to thrive in their daily lives and beyond. Through a combination of one-on-one mentoring and a weekly group activity, Radical Possibilities provides an opportunity for mentors and mentees to connect, bond, and grow in a safe, inclusive, and fun environment. Mentors are provided with comprehensive training and support to help them build meaningful connections with youth that have positive long-term impact on both the mentor and mentee.
